Leicester, June 23/59

Dear Burleigh;

You know it w^d. give us very great pleasure to see & hear you at our 4th July Meeting at Fram. Grove. I w^d. have been very glad to put y^r. name on the Handbill, (very likely Garrison will, in the Liberator,) but I did not know whether you thought of coming or not, & hence did not feel I had any right to announce you. — Neither I could ? put W. Phillips's on, after what he said to me of the great uncertainty of his being there. But he says he 'will' attend, if possible for him to do so.

How is the Report advancing?

Do you look to me for any
Statement as to Operations, &c
If so, when do you want it?

I intend to send you a
Handbill of ~~&c~~ the Fourth,
& hope it may so happen that
you can come this way, at
that time.

Truly Yrs.
S. May Jr
